INTRODUCED BY REPRESENTATIVE ANDREWS.

5497H.011

D. ADAM CRUMBLISS, Chief Clerk

AN ACT

To repeal section 214.160, RSMo, and to enact in lieu thereof one new section relating to cemetery funds.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 214.160, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 214.160, to read as follows:

214.160. 1. The county commission [shall] **may** invest or loan said trust fund or funds [only] in United States government, state, county or municipal bonds, certificates of deposit, first real estate mortgages, or deeds of trust **and may utilize investment managers to invest, reinvest, and manage assets, subject to the terms, conditions, and limitations provided in this section.** They shall use the net income from said trust fund or funds or **such investments** or so much thereof as is necessary to support and maintain and beautify any public or private cemetery or any particular part thereof which may be designated by the person, persons or firm or association making said gift or bequest. In maintaining or supporting the cemetery or any particular part or portion thereof the commission shall as nearly as possible follow the expressed wishes of the creator of said trust fund.

2. An investment manager shall discharge his or her duties in the interest of the public or private cemetery and the person, persons, or firm making the gift or bequest and shall:

(1) Act with the same care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a similar capacity and familiar with those matters would use in the conduct of a similar enterprise with similar aims;

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

17 (2) Act with due regard for the management, reputation, and stability of the issuer
18 and the character of the particular investments being considered;

19 (3) Make investments for the purpose of supporting, maintaining, and beautifying
20 any public or private cemetery or any particular part thereof which may be designated by
21 the person, persons, or firm or association making said gift or bequest, and of defraying
22 reasonable expenses of investing the assets;

23 (4) Give appropriate consideration to those facts and circumstances that the
24 investment fiduciary knows or should know are relevant to the particular investment or
25 investment course of action involved, including the role the investment or investment
26 course of action plays in that portion of the investments for which the investment fiduciary
27 has responsibility. For purposes of this subdivision, "appropriate consideration" shall
28 include, but is not necessarily limited to, a determination by the investment fiduciary that
29 a particular investment or investment course of action is reasonably designed to further
30 the purposes of supporting, maintaining, and beautifying any public or private cemetery
31 or any particular part thereof which may be designated by the person, persons, or firm or
32 association making said gift or bequest, taking into consideration the risk of loss and the
33 opportunity for gain or other return associated with the investment or investment course
34 of action; and consideration of the following factors as they relate to the investment or
35 investment course of action:

36 (a) The diversification of the investments;

37 (b) The liquidity and current return of the investments relative to the anticipated
38 cash flow requirements; and

39 (c) The projected return of the investments relative to the funding objectives; and

40 (5) Give appropriate consideration to investments which would enhance the general
41 welfare of this state and its citizens if those investments offer the safety and rate of return
42 comparable to other investments available to the investment fiduciary at the time the
43 investment decision is made.

44 3. As used in this section, "invest" or "investment" means utilization of money in
45 the expectation of future returns in the form of income or capital gain.
